WHERE ARE WE?

Lublin is the biggest academic centre in Eastern Poland. There are 9 universities in which almost 65 thousand students from 96 countries around the world study at.

Lublin has a vast communication network with all major cities in Poland (the distance to Warsaw is 160 km) and around the world (Lublin has its own airport 🌐).

ABOUT WSEI

THE HISTORY

- University of Economics and Innovation in Lublin (**WSEI**) **was established** on the strength of the permission of the Minister of Education and Sport **of 24th October 2000.**
- The university was founded by „OIC Poland Foundation”
- The idea was to **create an independent private higher education institution**, which could shape the future leaders being able to contribute to the development of Lublin Region.
- **This year (2020) WSEI celebrates its 20th Anniversary.**

THE MISSION

The mission of the University of Economics and Innovation in Lublin is **to ensure**, in cooperation with the local community, **a wide range of educational services** that help to improve the socio-economic condition of the region and prepare students for professional and civic life.
