Doctoral Study Programmes...

- 5 Doctoral Schools
- 23 doctoral research supervisors
- 10 Doctoral Study Domains:
 - Automotive Engineering
 - Mechanical Engineering
 - Material Engineering
 - Industrial Engineering
 - Electronics and Communication
 - Physical Education and Sports
 - Philology
 - Mathematics
 - Computers
 - Biology

International Relations

- **Few hundred** of EU financed projects in the last 20 years (see www.cppdd.ro, for some of them).
- Bilateral students and teachers exchanges through joint projects or funding from the European Commission: Erasmus+ and former Comenius, Grundtvig, Leonardo da Vinci, Socrates, Tempus.
- Over **140 cooperation agreements** with prestigious universities in Europe and non-European countries.
- Cooperation agreements with national and international research institutes.
- UPIT is a full member of European Universities Association (EUA), Danube Rectors' Conference (DRC), Agence Universitaire de la Francophonie (AUF), European Forum of Technical and Vocational Education and Training (EfVET), European Distance and E-Learning Network (EDEN), working for direct implementation of Bologna Process, ECTS, ECVET and EQAVET.

Research in UPIT

- Research is operated in 20 Research Centers, and one Technology Transfer Center.
- Research is achieved through financed projects obtained in national and international competitions and contracts with the socio-economic environment.
- The results are collected through the computerized research portal of UPIT.

Lifelong Learning Centre “Muntenia”

- Since the 1990s, University of Pitești has been involved in adult education.
- Fields of activity: education, training and life long learning of adults.
- “Muntenia” Centre has assumed the mission of training and continuing the professional development of adults from different fields in order to increase the competitiveness and performance at work.

University Library

- It gathers a number of 268,148 items, covering by its encyclopedic nature the bibliography of all the disciplines in all the fields of the university curricula.
- It has implemented an Access Point to Information (PAI) by the University Agency of Francophony - Regional Office for Central and Eastern Europe (AUF-BECO).
- It offers access to detailed information on legislation, policies and EU institutions through its European Documentation Centre (EDC-UPIT).

Social / Sport & Leisure

- The University of Pitesti can accommodate approx. 1,000 students in its own hostels.
- The canteen of the University can provide meals for 200 people on set, three meals a day.
- The menu can meet all requirements, no matter the culinary culture or culinary preferences.
- The University of Pitesti has a special sports center.
- Students can recreate by practicing sports: tennis, handball, football, volleyball, swimming, modern dancing or basketball in the new multifunctional sports center or on its own sports ground.

Student Organizations

- The students within the University of Pitești are organized into associations and students' unions.
- They are represented in the governing structures of the university .
- There is also a **Student Advisory Council** within the university, their initiatives or their interventions representing a substantial share in the decisions about education or other matters concerning students activities.

THANK YOU FOR ATTENTION!

Thank you very much for your attention!
